Styles of Saddle for U-Bolt Clamps

Clamps Incorporated offers three styles of saddles for U-bolt clamps.

- Guillotine Single Edge Closed End Saddle
- Double Edge Open End Saddle
- Double Edge Closed End Saddle

The selection of which clamps is right for you is based on your individual application and specifications. Factors to consider are sealing, holding force, deformation, assembly, appearance and price. Below is a pictorial that shows the different saddle styles.

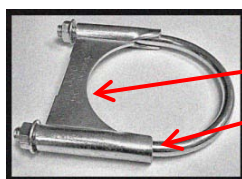

Note: 7.00" & 8.00" Available w/Cast Aluminum Saddle which is not presented here. Contact us for details.
